Dear Parents

We hope all families will join us for our sundowner THIS FRIDAY on the school oval - see following flier and feel free to contact us with any questions. We'd love some help running the barbeques and look forward to seeing you there to celebrate St Patrick's Day!

LAST MEETING

We met last Tuesday night in the school staff room and minutes are attached to this email. The meeting ranged widely, with the opportunity to ask Martin about various initiatives this year. We're very pleased to announce the meeting decided to donate \$5000 towards the purchase of music resources for our school.

We're still discussing timing of various events - we're planning to offer a Bake Sale in the near future but are discussing timing this during the canteen closure, the dates of which aren't yet determined. We plan to offer a couple of major events, the obstacle-a-thon and a parent event again. Simone Roney has offered to lead co-ordination of the parent event, with Kirsty Douglas and Tamara Piscopo joining the committee so far. They will need a great deal of support during the year and you are urged to consider offering to help, either by contacting them or the P&F contact email above.

Next P&F meeting is again scheduled for the evening, Tuesday 4 April 7pm at school, we'd love you to join us and share your ideas. Apologies and agenda items to Simone Northcott at the email address above please.

COMMITTEES

In addition to the Parent Social Committee, we appointed Chelsea Isaacs-Mathewson to represent the P&F on the Canteen Committee, and Simone Northcott to the Aboriginal Education Committee.

FACEBOOK GROUPS

We remind parents to contact the email address above for information on how to be added to the private Facebook groups for their year level. These are an invaluable way to communicate quickly and informally with the other parents in your child's class.

Regards

Karen, Simone, Simone and Alison
Your P&F executive.
