Parents,

Mandatory Reporting for Immunisation Regulations

On 1 January 2019, new regulations under the Public Health Act 2016 (WA) were introduced to strengthen requirements around the collection and reporting of immunisation information by childcare services, kindergartens and schools in Western Australia.

Under the new regulations, the only acceptable documentation for collecting the immunisation status of a child is the Immunisation History Statement from the Australian Immunisation Register (AIR) – **see page 2 for an example.**

Parents must provide their child's Australian Immunisation Register (AIR) Immunisation History Statement at the time of lodging an Application for Enrolment at a childcare service, kindergarten and school.

You would have automatically been sent an AIR Immunisation History Statement after your child had completed their childhood immunisation schedule. No other form of documentation is acceptable e.g. purple book or overseas immunisation records.

How to access your child's AIR Immunisation History Statement?

You can access your child's AIR Immunisation History Statement at any time through:

- MyGov, by logging into your Medicare online account
- Medicare Express Plus App, by logging into the Medicare account
- Visiting a Medicare or Centrelink office
- Calling the AIR General Enquiries Line on 1800 653 809 for your statement to be posted.

If you do not hold a Medicare card you must call the AIR on 1800 653 809 to request an Immunisation History Statement.

If your child was vaccinated overseas, you need to do the following.

If you have moved to Australia from overseas you should make sure your child's previous vaccinations are recorded on the Australian Immunisation Register (AIR).

When you arrive in Australia, take any information about your child's overseas immunisations to your doctor or immunisation provider. They will add these details to your child's record on AIR and let you know if your child needs any additional immunisations to become fully protected according to the Australian childhood immunisation schedule. This update in AIR may take up to a few weeks. Following the update in the child's AIR record, you can then access an updated AIR Immunisation History Statement and provide a copy to the school.

Individuals that are not registered with Medicare can still have an AIR record. Your immunisation provider or the Central Immunisation Clinic will be able to assist in setting one up.

Further information about the new requirements is available by contacting immunisation@health.wa.gov.au

Thank you for your assistance with the new regulations and requirements requested by the Health Department.

Yours sincerely
