

At St Maria Goretti's Catholic School we want to feel safe, curious, proud and included.

To feel **SAFE**, we will...

- Follow the school rules
- Be kind to others, treat everyone with respect in our school community
- Listen to our warning signs and tell a trusted adult
- Tune into our emotions and express them in healthy ways

To feel **CURIOUS**, we will...

- Explore, wonder and discover new experiences and subjects
- Think outside the box by asking questions about things that interest us
- Give all learning tasks a go and engage in class discussions
- Ask questions of staff and friends when we are in doubt or need more information

To feel **PRIDE**, we will...

- Try our best
- Persevere with challenging tasks
- Feel proud of our achievements
- Acknowledge the hard work and achievements of others

To feel **INCLUDED**, we will...

- Treat everyone with fairness and equality
- Use kinds words and actions
- Listen to others, support and encourage each other
- Let others have a say and have a fair turn

When someone isn't feeling this way we will:

- Find out what happened and try to help and support
- Show compassion and listen to them
- Talk to them, use the problem-solving hula hoops to find a solution or tell a trusted adult
